§ 24.250

(Sec. 201, Pub. L. 85-859, 72 Stat. 1383, as amended (26 U.S.C. 5381, 5382, 5385, 5386, and 5387)).

[T.D. ATF-299, 55 FR 24989, June 19, 1990, as amended by T.D. ATF-312, 56 FR 31081, July 9, 1991; T.D. ATF-350, 58 FR 52232, Oct. 7, 1993; T.D. ATF-371, 61 FR 21079, May 9, 1996; T.D. ATF-409, 64 FR 13683, Mar. 22, 1999]

§ 24.249 Experimentation with new treating material or process.

(a) *General.* The proprietor may, under the provisions of this section, conduct on bonded wine premises such experimentation with a treating material or process as the appropriate ATF officer finds may be conducted in a manner that will not jeopardize the revenue, conflict with wine operations, or be contrary to law.

(b) *Application.* The proprietor who wants to conduct experimentation must file an application with the appropriate ATF officer setting forth in detail the experimentation to be conducted and the facilities and equipment to be used. The proposed experimentation must not be conducted until the appropriate ATF officer has determined that the conduct of such experimentation must not jeopardize the revenue, conflict with wine operations, or be contrary to law, and has approved the application.

(c) *Segregation of operations.* Experimentation authorized under this section will be conducted with the degree of segregation from wine operations as may be required by the appropriate ATF officer under the provisions of § 24.27.

(d) *Records.* The proprietor shall, with respect to each experiment authorized by this section, keep records of the kind and quantity of materials received and used and the volume of wine treated and the manner by which disposed.

(e) *Disposition of the wine.* The disposition of the wine subjected to experimental treatment will conform to the conditions stated in the authorization to conduct the experimentation. (Sec. 201, Pub. L. 85-859 (72 Stat. 1383, as amended (26 U.S.C. 5361, 5382)))

§ 24.250 Application for use of new treating material or process.

(a) *General.* If the proprietor desires to use a material or process which is not specifically authorized in §§ 24.246, 24.247, 24.248, or elsewhere in this part, an application shall be filed with the appropriate ATF officer to show that the proposed material or process is a cellar treatment consistent with good commercial practice.

(b) *Data required.* The application will include the following:

(1) The name and description of the material or process;

(2) The purpose, the manner, and the extent to which the material or process is to be used together with any technical bulletin or other pertinent information relative to the material or process;

(3) A sample, if a proposed material;

(4) Documentary evidence of the U.S. Food and Drug Administration's approval of the material for its intended purpose in the amounts proposed for the particular treatment contemplated;

(5) The test results of any laboratory-scale pilot study conducted by the winemaker in testing the material and an evaluation of the product and of the treatment including the results of tests of the shelf life of the treated wine;

(6) A tabulation of pertinent information derived from the testing program conducted by the chemical manufacturer demonstrating the function of the material or process;

(7) A list of all chemicals used in compounding the treating material and the quantity of each component;

(8) The recommended maximum and minimum amounts, if any, of the material proposed to be used in the treatment and a statement as to the volume of water required, if any, to facilitate the addition of the material or operation of the process; and

(9) Two 750-milliliter samples representative of the wine before and after
